

Preetz – Art Exhibition in the „Stall 54“ – 2.11. – 11.11.07

As a part of the event „**Candle-Light-Shopping**“ in the German town Preetz an exhibition with art works of the Italian painter Franco Costa will be held. Works will be shown in the cultural center “Stall 54” which lies behind the goldsmith at the ancient town church.

Beside the numerous regional motives that the Italian artist created the exhibition will show works from the sailing sport..
The artist will attend the opening of the exhibition in person.
